

Masonic Grand Lodge Rainbow Scholarship Foundation, Inc.

The aim of the New Hampshire Grand Lodge Rainbow Scholarship Foundation, Inc. is to offer scholarship assistance each year to deserving Rainbow Girls who are entering institutions of higher learning. These scholarships are made possible by the income from donations made by New Hampshire Masons, Masonic Groups, Eastern Star members and Rainbow Assemblies. To be considered for a scholarship, a Rainbow Girl must complete the attached application form, submit a copy of her latest available transcript of grades, and secure a reference letter from her Mother Advisor and High School Principal or Guidance Counselor. The **deadline** for applications each year is April 15.

We are grateful to the Grand Lodge of New Hampshire, particularly to those who have served as Worshipful Grand Master since 1991, who have promoted this Foundation through its Charity Fund Drive to the point where scholarships can be granted without using the principal.

Only complete applications will be considered and only those applications with a postmark on or before April 15. To be considered a complete application, you must submit the following:

- A signed scholarship application
- Latest available transcript of grades
- Reference letter from Mother Advisor
- Reference letter from High School Principal or Guidance Counselor
- Statement about why financial assistance is necessary

Send completed application no later than April 15 to:
